

Lilly to Host Sustainability Webcast to Provide Overview of Environmental, Social and Governance (ESG) Efforts

April 1, 2021

INDIANAPOLIS, April 1, 2021 /PRNewswire/ -- Eli Lilly and Company (NYSE: LLY) will host a webcast for the investment community, media and the general public on May 4, 2021 to provide an overview of the company's strong commitment to sustainability efforts in the areas of Environmental, Social and Governance (ESG). The webcast will include remarks from David A. Ricks, Lilly chairman and chief executive officer, as well as other senior Lilly leaders. The event will run from 10:30 a.m. to noon EDT.

A live audio webcast will be available on the "Webcasts & Presentations" section of Lilly's Investor website at <https://investor.lilly.com/webcasts-and-presentations>. A replay of the presentation will then be available on this same website for approximately 90 days.

About Eli Lilly and Company

Lilly is a global health care leader that unites caring with discovery to create medicines that make life better for people around the world. We were founded more than a century ago by a man committed to creating high-quality medicines that meet real needs, and today we remain true to that mission in all our work. Across the globe, Lilly employees work to discover and bring life-changing medicines to those who need them, improve the understanding and management of disease, and give back to communities through philanthropy and volunteerism.
