Statement: Eli Lilly has no affiliation with Mangoceuticals, Inc.

Eli Lilly and Company (NYSE: LLY) has no affiliation with Mangoceuticals, Inc. Any communication or media report suggesting a partnership between Lilly and Mangoceuticals is false. In fact, Lilly sued Mangoceuticals last year and obtained a permanent injunction.

While Lilly has no affiliation or partnership with Mangoceuticals, any healthcare provider—including those who work with telehealth platforms—can prescribe Lilly medicines and send valid, on-label prescriptions for Zepbound (tirzepatide) single-dose vials directly to LillyDirect Self Pay Pharmacy Solutions for fulfillment.
