Lilly Announces Webcast to Discuss Abemaciclib Data

INDIANAPOLIS, May 31, 2016 /PRNewswire/ -- Eli Lilly and Company (NYSE: LLY) will conduct a webcast on June 9 to discuss the abemaciclib data presented at the American Society of Clinical Oncology (ASCO) Annual Meeting. The webcast will begin at 10 a.m. EDT.

Investors, media and the general public can access a live webcast of the conference call through a link that will be posted on Lilly's website at <https://investor.lilly.com/events.cfm>. A replay will also be available on the website following the conference call.

About Eli Lilly and Company

Lilly is a global healthcare leader that unites caring with discovery to make life better for people around the world. We were founded more than a century ago by a man committed to creating high-quality medicines that meet real needs, and today we remain true to that mission in all our work. Across the globe, Lilly employees work to discover and bring life-changing medicines to those who need them, improve the understanding and management of disease, and give back to communities through philanthropy and volunteerism.
